JFE Shoji Trade Corporation

Change of corporate name in English

JFE Shoji Trade Corporation (President: Naosuke Oda, Head office: Chiyoda-ku, Tokyo) will change its English corporate name to "JFE Shoji Corporation" from April 1st 2020.

Since its establishment in 2004, the English corporate name has been referred to as "JFE Shoji Trade Corporation" but we are working to expand business income in addition to trading income. Based on these changes of the business model, with the aim of more clearly expressing the management policy of expanding both incomes, we have decided to change our English corporate name.

Under our new corporate name, we are willing to meet the various demands of our customers.
