Change of Organizations

JFE Shoji Trade Corporation has decided the following changes of organizations which will be effected as of April 1st, 2015.

- 1 . Human Resources & General Affairs Dept to be divided into General Administration Dept and Human Resources Dept.
- 2 . Automotive Steel Division to be newly established.
 - 1) Six departments, which are Automotive Steel Business Planning Dept, Automotive Steel Overseas Dept, Eastern Automotive Steel Dept, Nagoya Automotive Steel Dept, Nagoya Steel Dept and Western Automotive Steel Dept, are placed under this new division.
 - 2) Central District Steel Division to be abolished.
 - 3) Nagoya Office to be newly established.

Background of the establishment of Automotive Steel Division

Based on this newly establishment, following efficiencies shall be expected.

- JFE Shoji Trade Group integrates the strategy for automotive steels and enhances its capability to expand automobile related business, which is growing throughout global market.
- Cooperation with JFE Steel to be strengthened more deeply.
- Sales persons, who possesses a lot of knowledge and experience for both domestic and overseas automobile related business, to be assigned in each adequate position.

- 3 . Organization of Eastern District Steel Division after April 1st, 2015.
 - 1) In accordance with newly establishment of Automotive Steel Division, numbers of departments under Eastern District Steel Division is change from three to two, which are consisted of Plate Dept and Sheet & Strip Dept.
